Regrets: Bowen Hui (Computer Science Instructor), Carleigh Benoit (WRAP, Human Resources)

Minutes: Barbara Sobol

-
- Review of Presentation

Matters arising:

- Work with WRAP to improve ITL support for staff/faculty
Action: Meghan and Carleigh to meet
- Work with IT Services to improve campus approach to assistive technology licensing
Action: Barb to continue conversation with Aaron and Sky

Discussion to pursue the following goals over the next year:

- Plan fall 2018 Dragon Workshops - perhaps ATBC could deliver?
Action: Barb and Meghan to follow up on
 - Idea for conference on assistive tech to be hosted at UBC Okanagan as ITL showcase and community engagement event: DRC, ITL, IT, WRAP.
Action: follow up on idea with Carleigh B. and Tracey H.
 - Drawing Pad or Surface Pro
Action: contact Sky for ideas and/or warranty details
 - Meeting on campus needs around RW & Dragon: Aaron, Clay, Carleigh, Meghan, Earllene
Action: Barb to coordinate
 - Idea for augmented reality apps of interest to ITL
-
